

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Glad to find out that someone else gets shocked when they see the price of ice cream in those specialty shops in the larger cities. George Baker, writing in the Fort Stockton Pioneer, expresses the following thought about 28c ice cream cones and we know the feeling.

"Have you bought an ice cream cone lately? I am still trying to recover from the shock of current prices in the specialty shops in Austin. Last week, after years of abstinence, the lure of chocolate ice cream was too much. The price displayed on the walls of the 31-flavor place destroyed my appetite — 28c for a single dip cone, and a mighty small dip at that!

"Who said that gasoline is high — or steak, or milk or your favorite newspaper? Last time I remember eating an ice cream cone the price was a dime, and the dip was considerably larger than the one dished up last week."

We Americans are strange people. We let the price of some things go up four and five times and never utter a word and something else can go up a few percentage points and we come unglued. You don't have to be too old to remember the 10c hamburger (I can still remember the 5c ones) that cost you from 50c to \$1.00 today.

You can name a number of items that have increased this way but a few years ago when beef went up the whole country started a boycott. And now that energy is going up and gasoline is trying to start another climb we want the government to break up the oil companies.

Our school taxes are going up this year and probably our city taxes too and most of us are shocked and dismayed. But how much have your federal taxes gone up over the past 10 years and how loud did you scream about them?

Thought maybe I was just getting older and was having trouble understanding these changes but then I ran across the following clipping and decided that it was the world that was changing and not me—

"Think you're getting older? Well, I did until I found this clipping tucked away in an old notebook. It explains how the world is changing and I felt much better after reading it. Hope you will too.

"Everything is farther than it used to be. It's twice as far from my place to the bus line now, and they've added a hill that I've just noticed. The buses leave sooner too, but I've given up running for them because they go faster than they used to.

"Seems to me they are making staircases steeper than in the old days. The rises are higher and there are more of them because I've noticed it's harder for me to make them two at a time. It's all one can do to make one step at a time.

"Have you noticed the small print they are using lately? Newspapers are getting farther and farther away when I hold them and I have to squint to make out the news. Now it's ridiculous to suggest that a person of my age needs glasses, but it's the only way I can find out what's going on without someone reading to me, and that isn't much help because everyone seems to speak in such a low voice that I can scarcely hear them.

"Times sure are changing. The material in my clothes, I notice, shrinks in certain places (you know, in the waist and around the seat). Shoe laces are so short they are next to impossible to reach.

"Even the weather is changing. It's getting colder in the winter and the summers are hotter than in the good old days. Snow is much heavier too when I attempt to shovel it, and the rain is so much wetter that I have to wear rubbers. I guess the way they build windows

—Continued on page 4

City Council Votes Increase In Valuations

The Hamlin City Council voted Monday to raise its property tax valuation to 85 percent of appraised value and lowered the tax rate from \$1.30 to 95c. The change will mean a 24 percent increase in city taxes for the coming year.

During the same meeting the council adopted a budget for the coming year that reflected the increase in taxes.

Mayor Robert Fowler said that the council regretted the need to increase taxes at this time but felt that they had no other choice. He said the increase in the cost of insurance, fuel and equipment left the council little choice. He said that the council was faced with the need to replace two tractors for the maintenance department.

In raising the valuation from 50 percent to 85 percent, this will be using the same percentage as the Hamlin Independent School District.

Girls Little League To End Saturday

The Girls Little League season will close out with a double header Saturday evening with the Junior Piperettes playing the Wranglers and the Rag Dolls meeting the Blue angels. The first game starts at 5:30.

The Junior Piperettes will play the Blue Angels Thursday evening and the Rag Dolls will meet the Wranglers.

After 15 games the Blue Angels are undefeated and the Rag Dolls are in second place with a 10-6 record. The Junior Piperettes have a 6-10 record and the Wranglers are 1-14.

Braves Leading In Little League Race

After 14 games the Braves are leading in the Boys Little League with a 10-4 record. They are followed by the Yankees with a 9-5 record. The Giants are 7-7 and the Cardinals are 2-12, through Monday evening.

The Cardinals and the Giants played Tuesday evening and the Yankees and Cardinals will play tonight (Thursday) at 7:30. The Giants and the Braves will play Friday evening.

The teams will wrap up the season Saturday, July 3.

Two County Youth To Attend Farm Bureau Seminar

The Jones County Farm Bureau will send two students to the 14th annual High School Students Citizenship Seminar to be held July 12-16 in Waco, according to J. C. Moss of Anson, president. The seminar is sponsored annually by the Texas Farm Bureau.

Attending from this county will be Jan Bush of Hawley and Tracy Gregory of Hamlin. They will be among some 450 high school juniors and seniors from all over Texas who have been specially selected on the basis of leadership qualities and scholastic achievement.

'Time to Run' To Be Shown

The Billy Graham film "Time to Run" will be shown at First United Methodist Church Sunday at 6 p.m.

The public is cordially invited to see this picture, the pastor, the Rev. Howard Marcom, said.

Mrs. Willis Paige has returned from Los Angeles, Ca., after visiting her son Art Caraway and his daughters Mary, Stephanie and Carolyn. She also visited her daughter Mrs. Willie Carnes, Steve and Michael.

Both taxing units use the same appraisal values.

The new rate will bring the city \$22,554.00 more revenue than the present tax structure generates. The city collected \$92,392 in taxes this past year and the new rate will bring in \$114,946.

At the current rate, property valued at \$20,000 pays \$130 a year in taxes and under the new rate the taxes will be \$161.50.

Under the budget adopted by the city the General Fund expenditures for the coming year will be \$267,440. Expenditures in the Water Works Department are projected at \$147,050 and revenues are projected at \$147,400.

A break down by departments in the General Fund shows \$28,340 for sewer, \$23,180 for street, \$78,850 for police, \$9,045 for fire, \$73,005 for administration, and \$42,020 for maintenance.

In other action the council accepted two city owned farm land bids and rejected the other bids as being too low. They accepted the bids on the farm land around South Lake and are re-advertising for bids on the balance of the land. The city also rejected a bid on the 1972 Chevrolet now being used by the police department.

Farmers Union Sets Meeting In Anson

A "Listening Conference" sponsored by the Texas Farmers Union will be held in Anson on Wednesday, June 30. The conference will begin at noon with a dutch-treat lunch at the 66 Sirloin Restaurant.

According to Texas Farmers Union President Jay Naman, of Waco, the purpose of the "Listening Conferences" being held throughout West Texas is to receive comments and recommendations from Farmers Union members on issues now before the Congress.

"We know that farmers and ranchers are greatly concerned about current legislation. We want to discuss these issues which are of great importance to producers and farm families including reform in the federal estate-tax laws, natural gas deregulation, the cotton check-off program, grain inspection legislation and the beef check-off and promotion act. It is important that we know how Farmers Union members across the country feel about these issues. The whole purpose of our trip is to hear directly from our members," Naman said.

Attending the series of conferences along with Naman will be Victor Ray, Director of the Department of

Band Rehearsal Called Tuesday

Band rehearsal for the Bicentennial program will be held Tuesday evening at 7 in the high school band hall.

All band students are requested to be in attendance and to play in the July 4th program, according to Tim Jones, director. All music should be brought to rehearsal, he added.

Senior Boys Set Game Saturday

The Hamlin baseball team in the Senior League won their first game of the season Saturday with a 7-6 victory over Haskell. They are now 1-4 for the season.

The local team will meet Stamford here Saturday at 8 p.m.

Plans Made for July 4 Bicentennial Celebration

Final plans for the Fourth of July Bicentennial Community Picnic and Church Service were made at the Board of Directors meeting of the Hamlin Board of Community Development Friday morning. The activities are planned to get underway in the City Park at 3 p.m.

The planned schedule of events call for old fashioned picnic games to be played during the afternoon with the swimming pool opening at 2 p.m. There will be no charge for the games or the pool.

This will be followed by a picnic lunch with everyone bringing their own food. The Little League concession stand will be selling cold drinks for those who wish to buy instead of bringing their own.

The picnic will be followed by the Community Church service starting at 8 p.m. in the Piper Stadium. The Ministerial Alliance is in

charge of the service. Gene and Bobbie Moore, former minister of Faith Methodist Church and his wife, will be in charge of the song service.

Eddie Daniel, former associate director of the Douglas MacArthur Academy of Freedom at Howard Payne University,

will be speaking during the evening service. Rev. Hward Jones, pastor of First Baptist Church, will be in charge of arrangements for the service.

Following the church service patriotic songs will be sung by children taking part in the Summer Recreation

Program and Tim Jones, local band director, will direct a band concert.

The day's events will conclude with a fireworks display under the direction of the Hamlin Volunteer Fire Department.

One of the highlights of the day will be the Beard and Mustache Judging. To be considered in the judging the facial hair growth must not have begun before March 1, 1976. Those not taking part in the contest will be required to buy a Shaving Permit beginning Monday, June 28.

Among the games lined up for the afternoon include the following: Pitching Horse Shoes (Lions Club), Washer Toss (Order of Eastern Star), Three Legged Race (Young Homemakers), Dominoes and Checkers (American Association of Retired Persons), Croquet (Business and Professional Women's Club), Tobacco Spitting Contest (Gary McMillan), Watermelon Eating Contest (Larry Butler),

Cow Chip Throwing Contest (Samuel C. Ferguson), Volleyball (Gary McMillan), Frisbee Throwing Contest (Eddie Connally), Jump Rope Contest (Mrs. L. H. McBride), Spoon Race (Mrs. Robert Fowler), Wheel Barrow Race, (Joe Cowan).

14-Unit Apartment Complex Approved

The Hamlin Housing Authority received word this week that their application for \$207,000 Farmers Home Administration loan to build two seven-unit apartment complexes had been approved, according to L. E. Prewit, chairman.

Seven of the apartments would be located on Southwest Ave. A. behind the Post Office and the other seven would be located on Avenue F just North of Holiday Lodge.

Architects for the project are Pierce, Pace and Associates of Midland. Tentative date set for the opening of bids is Thursday, July 22.

Plans call for four one-bedroom apartments and 10 two-bedroom apartments. The four one-bedroom apartments would be located behind the Post Office building. The units would be of brick veneer construction and would have year-round air conditioning.

IN SPITE OF SHORT CROP—

Best Year for Wheat Grazing

In spite of the fact that this year's wheat crop was below normal, this was the best year ever for cattle grazing on wheat land, according to Cecil Sellers, president of Cecil Sellers Cattle Co., Inc., who has been furnishing cattle for grazing in the area for over 35 years.

Sellers estimated that over 15,000 head of cattle were grazed on wheat over the winter and that this brought in over \$400,000 in income to

the area wheat farmers.

Sellers, who started in business here with father, the late Charlie Sellers following World War II, said that there was better gain on cattle this year than ever before.

A check Tuesday morning with Robert Fowler, manager of Moore Elevator, Inc., indicated that the area harvest was just about over and as of Monday afternoon the total received by the elevator this year was 670,000

bushels. This compares with last year's bumper crop of 1,100,000 bushels.

Sellers, who is joined by his two sons, Cecil (Pinky) Jr. and Charles T. (Charlie) said that his cattle firm had gross cattle sales during the months of March and April over \$3,500,000. Since May 1, 1975, he said the firm had handled over 41,000 head of cattle through the local office which was over \$7,000,000 gross in cattle sales.

TROOP OF THE WEEK—Hamlin Boy Scout Troop 143 was named Troop of the week at the opening week of summer camps at Camp Tonkawa. The local troop was in competition with 10 other troops in various events while also earning a total of 75 individual awards. Scouts, Scoutmasters, and staff members taking part in the camp are from left, front row, Neal Baker, Robbey Pritchard, Bobby

Wall, Gordon Roberts, Mike Harper and Mitch Lawlis; second row, Tim Hawkins (staff), John Bill Maddox, Johnny Cook, Billy Bond, Joe Bob Carter, Steve Campbell, Kevin Benningfield; back row, Scoutmaster Jerry Gooch, Russell Cary, Britt Cary (staff), Scoutmaster Samuel C. Ferguson, Wendell Roberts (staff), Mike Davis, and Scoutmaster Steve Carriker.

Miss Ferguson Honored With Brunch Here

Mrs. John D. Ferguson and Mrs. Thomas Ferguson hosted a brunch Saturday, June 19, at 3 Rotan Road, honoring their niece, Jean Ann Ferguson, bride-elect of Larry Lott of Waco.

Hot chicken salad cups, a fresh fruit plate, and hot biscuits and jelly were served from a polished table with silver appointments and a centerpiece of sonja gladioli and white carnations.

Guests attending were Mrs. Phil Guitart of Abilene, Mrs. John D. Ferguson Jr., Mrs. Ken Prewitt, Mrs. Samuel C. Ferguson, Mrs. Rodger Bell, Mrs. Davis Weaver, Mrs. Ronnie Nelson, Mrs. Marshall Bradford, Mrs. Tommy Robertson, Mrs. Larry McCoy, Mrs. Jimmy Hastings, Mrs. Robert Moore, all of Hamlin.

Special guests were Mrs. S. C. Ferguson and Jana Ferguson, mother and sister of the bride-elect.

NEW VERSION OF CAKE AND ICE CREAM—Ice Cream Cake is a new version of popular cake and ice cream desserts because the ice cream is mixed with the cake batter, according to the Texas Department of Agriculture home economist. Ice cream topping, sour cream and chopped pecans top the baked cake to make a delicious summertime treat.

Bridge Winners

First place winners in Tuesday evening competition of Hamlin Duplicate Bridge Club were Mrs. Jewell Hailey and Bobby Graham, both of Abilene.

Second place winners were Mr. and Mrs. Jerry Marks of Abilene. Mrs. Mabel Lillius and Mrs. Jewell Butler tied for third place with Mrs. Jo Smith and Bob Preston, all of Abilene.

Mr. and Mrs. John Carlton of Copperas Cove visited his parents, Mr. and Mrs. Norman Carlton over the weekend.

LOCAL ARTIST—Local artist and composer Sammy Wilcox is submitting several country music titles for possible recording and publication to Ahab Music Company in Nashville, Tenn., a firm owned by Ray Stevens. The demo tapes of several songs with words and music written by Wilcox will be sent for consideration. Wilcox is employed by Gene Walton Well Service. (Adv.)

the gospel truth

by Bro. Marshall Townsley

All is forgiven! Praise God! The scripture hath said "...for he is kind unto the unthankful and to the evil." Luke 6:35 "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him, should not perish but have everlasting life." You see, God even causes the sun to rise on the evil and the good, and sendeth rain on the just and on the unjust. Why? Because of the sacrifice of his precious son. He shed his blood for everyone once for all.

If God is so concerned about even those that reject him how much more does his grace abide on those that receive Jesus as their Lord. The Word says, "God commendeth his love toward us, in that, while we were yet sinners, Christ died for us. Much more then, being NOW justified by his blood, we shall be saved from wrath through him." Romans 5:8, 9 In other words, Christ loved us even while we were rejecting the work of Calvary and holding to our sin. Even while some of you reading this article are cursing everything that represents God—He still loves you because the sacrifice is complete. But just think. If he loves you now while you

reject him, how much more love can you experience if you accept Jesus.

The men who preach God's wrath upon the Christian are liars. We have been saved from the wrath to come by the blood of Jesus. That's the message of the gospel. Thank God!

Yes, we make errors and sin, but the blood of Jesus has never ceased to flow in our behalf. If the Blood of Christ did not cover my future sin then Jesus would have to be crucified every time I made a mistake and committed sin. That my friend will never happen.

You, as a Christian, are no longer unworthy because Jesus gave you his righteousness. II Cor. 5:21 You have been escorted by the Holy Spirit directly into the throne room of God. Enjoy it! It's all paid for. We love you! Please feel free to write us about your needs and prayer requests. We will help in any way we can.

Jan Taylor Honored With Gift Tea Here

Jan Taylor of Houston, bride-elect of David Sharp, was honored with a gift tea Saturday, in the home of Mrs. James Harrison.

The table was covered with an imported cutwork cloth centered with an arrangement of white glads, stock, pom pom mums, and babies' breath. Appointments were silver.

Honored guests were Mrs. George Taylor of Houston, mother of the bride-to-be; Mrs. Warren Sharp, mother of the prospective bridegroom; Mrs. William G. Moore of Nocona and Mrs. Orson Sharp of Wichita Falls, his grandmothers; and Mrs. Carrol Moore of Henrietta, his aunt.

Serving in the house party were Mrs. Mikel Tubbs of Abilene, sister of the prospective bridegroom; Mrs. Mike Robbins, Marilyn Harrison and Lynda Harrison.

Other hostesses included Mmes. Frank Codington, Horace Driver, Robert Fowler, Claude McDonald, Lewis Madden, Paul Becker, J. B. Jayroe, Larry Butler, Bill Davis, Phil Smith, G. W. Webb, Eunice Winegeart, Jerry Waggoner, Cecil Sellers, Joe Ford and Parker Kelley.

The couple will be married July 31, in Houston.

Mr. and Mrs. Larry Bartee and Kimberley returned Saturday from a three-day trip to Big Bend National Park. They also visited Fort Davis and toured the McDonald Observatory. On their return home they stopped in Midland for a visit with Mrs. Bartee's sister and family, Mr. and Mrs. John Stewart.

For additional dairy recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

Food Preservation Classes Scheduled In Jones County

Homemakers can save \$200 or more dollars a year through home food preservation. To assist homemakers in proper preservation techniques to prevent spoilage food preservation classes have been set for June 28, 29 and July 1, according to Nacey Wilburn, County Extension Agent.

The schedule for these classes are as follows: June 28, Anson Home Economics Dept. 7 p.m.; June 29, Stamford Home Economics Cottage 7 p.m. and July 1, Hamlin Home Economics Dept. 7 p.m.

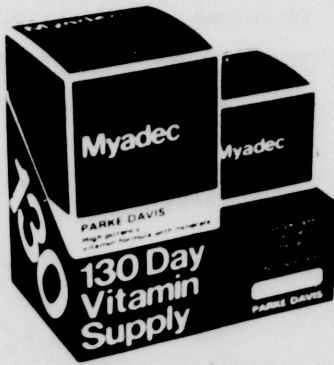

Subjects will include pressure canning, water bath canning, jellies, jams, etc., drying and freezing.

Speakers will include Martha Harmon and Kathryn Cawley, Lone Star Gas Home Economists; Judy Ender, West Texas Utility Home Economist and Nacey Wilburn, County Extension Agent.

This is only one of the activities planned by the family living subcommittee and is open to everyone.

Why should you take Myadec?

Vitamins are essential for good health and nutrition. High-potency Myadec contains 9 important vitamins and 6 minerals—an ideal formula for active people on the go. Take care of yourself with Myadec Capsules or Tablets.

Young Adults Hold Cook-out Here Saturday

The Young Adult Sunday School Department of First Baptist Church held their annual back-yard hamburger cook-out Saturday night at the home of Rev. and Mrs. Howard Jones. The menu consisted of hamburgers, baked beans, potato salad, homemade ice cream and cake.

Sammy Ferguson presented a gift from the group to Gary and Sue Finley, who are moving to Hobbs.

Those attending were: Messrs. and Mmes. Pat Willoughby, O. H. Weaver Jr., Davis Weaver, Sammy Ferguson, C. L. White, Larry McCoy, Paul Frazier, Robert Moore, Gary Finley, Andy Brown, Larry Butler.

Also Mrs. Ronnie Hill, Jerry Briscoe, Luke Reynolds, Mike Bailey, Misses Cheryl Lewis, Suzanne Haterius, Jana Ferguson, Jeanie Ferguson and Jan Ford.

FHA Officers Attend 3-Day Planning Meet

Officers of the Hamlin Chapter, Future Homemakers of America, attended a three-day planning session at Oak Creek Lake, June 14-16.

Attending were Jan Ford, Elise Kelley, Lisa Howard, Debbie Hargrove, Allison Clems and Mrs. Joe Wayne Carter, advisor.

The officers made plans for programs and activities for the 1976-77 school year. The group enjoyed swimming and cooking.

Favorite Recipes

By Barbara Craig

On a recent trip to Wichita, Kans., and visiting with relatives, Wanza Baker discovered some new recipes. She shares two of these with us this week and others will follow.

ESCALLOPED POTATOES
Wanza Baker

2 lbs. frozen hash brown potatoes
1/2 c. melted oleo
1 t. salt
1/4 t. pepper
1 can cream of chicken soup
2 c. grated cheddar cheese
1/2 c. chopped onion
2 c. sour cream
2 c. crushed corn flakes mixed with 1/4 c. melted butter

Thaw potatoes. Combine them with rest of ingredients, except corn flakes. Place in three-quart casserole. Sprinkle flakes on top. Bake 45 minutes at 350 degrees. May be frozen and reheated.

PINEAPPLE SHEET CAKE
Wanza Baker

2 eggs
2 c. sugar
2 c. flour
2 t. vanilla
2 t. soda
1 1/2 c. crushed pineapple, not drained

Hale Family Holds Reunion Here Sunday

A reunion of the family of the late John and Bell Hale was held Sunday at the Jaycee Building.

Children of Mr. and Mrs. Hale who attended were Mr. and Mrs. Travis Hale and Mr. and Mrs. Austin Hale, all of Hamlin; Mr. and Mrs. George (Veda) West, Merkel; Mr. and Mrs. Vernon Hale, Ft. Worth; and Lloyd Hale, San Antonio.

Others who attended were Melba Hodsapple, Mr. and Mrs. Glenn Hale, Hazel, Tammy and Jimmy, Terry and Elsie Gibbons, Julie and Kevin, all of Ft. Worth; Mr. and Mrs. F. M. Rowan, Mr. and Mrs. H. L. Batts, Vivian Heffernan, Kelly and Shane, all of Sweetwater; John, Dora and Kristen Hall, of Crowley; Jerry and Jo Ann West, Henrietta;

Also Helen Hambrick, Fair Oaks, Calif.; Wanda and Rich Phillips, Arlington; Virginia Hale, Anson; Ruth Hyatt, Andrews; Cecil, Violet, Rita and Pat Hale; Evelyn Hale Glover and Terri, all of Midland; Don West, Jimmy and Mary West, all of Abilene; Susan Baker, Michael and David Ray, Herbert and Mildred Crouch, Randy, Rodney and Judy, W. A. and Perley Turner, all of Hamlin.

Maudie Paige Honored With Reception

Maudie Paige, president of the Missionary Society of Oak Grove Baptist Church, was honored with a reception in Fellowship Hall following the 4 p.m. society meeting Monday.

Mrs. Paige returned Sunday after being in Los Angeles, Calif.

Also honored was Georgia Gilbert of Merritt Island, Fla., a former Hamlin resident, who is visiting here.

Hostesses for the reception were Louberta Maxwell, Gertrude Bass and Ruthie Bussey.

Others present were Isa Jenkins, Bessie Haley, Beatrice Curry, Cookie McGee, Della Lee and Aretta Bolden.

IT PAYS TO ADVERTISE—Whenever you have something to sell, trade, or give away—use the **HAMLIN HERALD** classifieds.

Miss Thompson, Danny Vines Plan Wedding

Wedding plans for Nancy Thompson of Nacogdoches and Danny Vines of Temple have been made with the marriage date set for Aug. 21. The couple will be married at 3 p.m. in Meadow Oak Baptist Church in Temple.

Miss Thompson is the daughter of Roy Thompson of Hamlin and Mrs. Mike (Wanda) O'Neill of Temple. Parents of the prospective bridegroom are Mr. and Mrs. D. M. Vines of Lufkin.

The bride-elect is a graduate of Academy High School and attends Stephen F. Austin University in Nacogdoches.

Vines, a graduate of Lufkin High School, attends Stephen F. Austin University.

Homemakers Class Installs New Officers

The words of Dr. Tom Dooley were used in a candlelight installation ceremony Thursday evening by Mrs. George Werner for officers of Homemakers Sunday School Class of First Baptist Church.

"And if you light a candle in a very dark place it shines a long way," Dr. Dooley said on the ship Hope as he lay dying from cancer in answer to a friend who asked why he

continued his work after becoming ill.

As each officer was installed she was given a candle. Then, with other lights out, the candles were lit.

Installed were Mmes. Bill Shira, teacher; Harold Nelson, outreach leader; E. E. Lewis, assistant outreach leader; Bob Craig, mission action chairman; Eugene Baker, secretary; Bo Newland, assistant secretary; Joe Wayne Carter, reporter; and Bob Hawes, John H. Steele, C. L. White, George Deaton, Joe E. Ford and E. E. Lewis, group captains.

Mrs. Shira was hostess for the meeting at her home.

FROM THE FILES . . .

FIFTY YEARS AGO
(June 25, 1926)

MORE ABOUT THE BIG RAIN. But what's the use in telling more about that "flood" we had last Thursday afternoon? Everybody knows it now. But some day somebody, maybe the Editor will forget just how much rain fell in forty minutes, one time in June, 1926. So here's telling the world that on Thursday afternoon, June 17 and on Friday morning the 18th, it rained just 5.65 inches. Most of it fell Thursday afternoon. The result was that Hamlin houses all leaked under the strain of the deluge of water and the wind. Streets looked like rivers, and crossings became waterfalls. But there is a good side to this. There was but little damage. Some few trees were broken, and some parts of the streets were washed. In the country, the damage to crops was greatly offset by the good a soaker became at this season of the year. The terraced lands could not hold all the water and broke over with a bit of damage, but it is conceded that an occasional break-over hurts less than a general "run-off" every time it rains. Crop conditions are fine. A few acres lost now is nothing compared to the thousands that are cinched for a good crop.

The Acorn Stores Inc. advertised the following sales this week—Happy home house dresses, 83 cents each; Genuine imported english broadcloth shirts, \$1.19 each; Full time overalls, \$1.29 each; Good blue shirts, 39 cents and men's peanut straw hats, 16 cents.

During the Estes revival in Hamlin this year, the Evangelist and wife was visited here by their son, Dr. J. Frank Estes of Oklahoma City. The young doctor had gotten back in the land of his birth and among people who saw him as a baby. The Doctor Estes must have liked his native community for when he began to look for a good location he decided that Hamlin was the best to be had, therefore he and his wife and child arrived here this week to begin their home in Hamlin. Dr. Estes will office at the Inzer Pharmacy. He hardly needs an introduction, as he is only getting back home where most of the old timer citizens will either know him or some of his relatives.

On Tuesday evening Misses Geneva Owen and Mildred Morgan entertained with a moonlight picnic complimenting their guests, Misses Elizabeth Steele and Mildred Jones of Rule. The party assembled at the home of Miss Owen and motored to the city lake where a bountiful picnic supper was spread. During the evening boat riding and other sports were enjoyed.

TWENTY YEARS AGO
(June 28, 1956)

Curb and gutter work by city crews is getting off to a good start, declares John L. Lea, city engineer, who is supervising the project.

The work is being done under city jurisdiction and with recently purchased city equipment on a nominal cost based on a continuing program of city street improvement begun by the City Council two years ago when paving also was being done.

Current project is designed to do curb and gutter work by block segments as a water drainage and street base project. The program will be followed by getting the various streets that are curbed and guttered worked to correct grade levels for eventual paving, Lea points out.

Cost of the curb and gutter has been set at 85 cents per foot, which includes the prorated cost of one intersection per block. This price compares with \$1.15 per foot charged during the paving project by the contractor.

Free parking in the Hamlin business section—for the first time since 1950—became effective Saturday morning following a special called session of the City Council and a later conference between the council and merchants of the city.

Removal of the parking meters will be for a trial period in order to ascertain their effect on business activity in Hamlin. Merchants had petitioned the City Council to consider their removal on the contention

that the parking meters were hurting trade here. A conference between the merchant group and members of the council was held last Thursday afternoon, when the pros and cons of the meter situation were discussed.

Patronage dividend checks totalling \$71,454.70 were distributed to officials of 38 members gins last Thursday at the annual membership meeting held at the Mid-West Cooperative Oil Mill, according to R. L. McClung, manager. The checks represented dividends from profits of the past year's operation of the mill, which is one of Hamlin's major industries.

TEN YEARS AGO
(June 23, 1966)

The \$750,000 bond election called for the construction of a new high school plant and improvements to existing buildings was passed here Saturday by a margin of 47 votes.

A total of 515 votes were cast with 281 votes in favor of the measure and 234 against.

The tentative plans call for a complete four year high school with two science labs, two homemaking labs, FFA shops, physical education gym, band room and cafeteria.

The seventh and eighth grades will be moved into the present high school building. The other six grades will be in the other buildings in Northwest Hamlin. \$42,000 has been marked for use in getting the existing buildings in good condition.

Eight officers of the Hamlin Chapter, Future Homemakers of America, attended the two-day officers workshop at Texas Tech College, Lubbock.

The group included Sue Roddy, Vicki Newland, Revonna Kay Robertson, Jerry Elliott, Martha Robertson, Sharon Hawkins, Janet Carson and Beth Craig. They were accompanied by Mrs. John D. Ferguson, sponsor, and Mrs. Bo Newland.

The Hamlin City Council approved an ordinance granting the right to construct and operate a community antenna television system in Hamlin to Telecom Cable Co., Inc. at their session Monday night.

The cable company agrees to start construction within six months after microwave construction permit and license is issued by the Federal Communications Commission.

Five students from Hamlin have been accepted for the 19th annual two-week summer vacation band and twirling school which opens July 10 on McMurtry College campus.

Hamlin youths are Dianna Crowley, Patricia Feagan, Jana Ferguson, Terese Perrin and Rhea Sue Vaughan.

Mr. and Mrs. Melvin J. Scott attended the 1966 convention of Rotary International in Denver, Colo. June 12-16.

The convention included 14,774 Rotarians and members and their families from 67 countries in all parts of the world. This was a representation of 5845 clubs.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

now makes drafts more severe.

People are changing, too. For one thing, they are younger than they used to be when I was their age. On the other hand, people my age are so much older than I am. I realize that my generation is approaching middle age, friends tottering into senility.

"I ran into a friend the other night and she had changed so much that she didn't recognize me. "You've put on a little weight," I said. "It's this modern food," she replied, "it seems to be more fattening."

"I got to thinking about her this morning while I was dressing. I looked at my own reflection in the mirror. Seems they don't use the same kind of glass in mirrors anymore."—Copied.

GOD LOOKS ON THE HEART

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Man's first reactions to another is based on outward appearances, and only time will help him to know the heart of another. God knows, immediately, every attitude of the heart, whether it is good or bad.

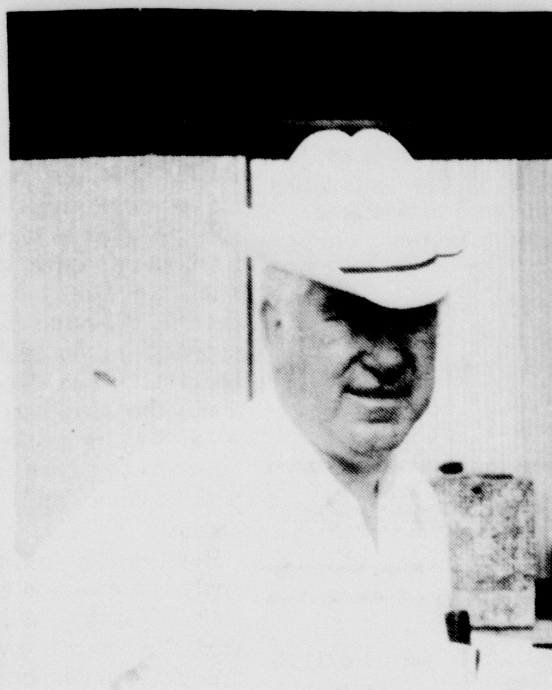

"Blessed are the pure in heart: for they shall see God."

There are many rewards for those that follow the Lord. "Let the heart of them rejoice that seek the Lord."

Coleman Adv. Serv.

Thank You For Your Continued Support And Confidence In Us!

It Is Harvest Time Again for Wheat and Cattle

We are proud to be a vital part in this harvest and the huge part it plays in our area's agricultural economy

For the farmers who choose to graze wheat instead of cutting it for grain this year, it is harvest time to move the cattle on to the next market place. And through our contacts with the livestock industry around the country, we have been able to bring cattle here to furnish a large percentage of the animals for the area farmers and ranchers to graze their wheat and pasture land.

Each year at the end of the grazing season, we purchase most of the cattle back on contract and market them. This year, during the months of March and April, our cattle sales grossed over \$3,500,000. Since May 1, 1975 we have handled over 41,000 head of cattle through our office here in Hamlin. This was over \$7,000,000 gross in cattle sales.

We have six full time employees to serve your livestock needs and additional help during our peak periods. Our payroll during the past year was in excess of \$50,000.

We are proud to add this to the economic base of our town for business, school, churches, and livelihood in general.

The late Charlie Sellers, father of Cecil Sr. and Mack Sellers, first started furnishing cattle to this area 50 years ago. Cecil joined his father in the business following World War II and bought his father's interest in the business in 1958. (Mr. Charlie Sellers passed away April 1959). Since that time Cecil's two sons, Pinky and Charlie joined him in the business in 1970.

We Offer The Following Services to the Area Farmers and Ranchers

BUY AND SELL CATTLE

We furnish a ready market for area farmers and ranchers with contacts all over the United States to meet these needs. We will buy your cattle for immediate delivery or contract them for future delivery. We will also buy your replacement cattle for you.

PROCESS CATTLE

We have the facilities, know-how, and the help to brand, vaccinate and deliver cattle to our customers who desire this service.

LEASE WHEAT AND PASTURE LAND

We lease wheat land from farmers who do not want to own and care for their own cattle but do want to graze their wheat. We lease wheat land for grazing cattle by weight gain, per acre or per head per month. Contact us for details.

Hanover Gooseneck Cattle Trailers

We order to your specifications the kind of trailer your need requires.

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520

Scab Threatening

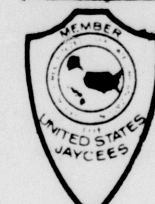

Area Pecan Crop

Pecan scab is developing on pecans in Jones County due to recent rainfall and the fact that the inoculum overwintered in this area. Kirby Clayton, county

agent for the Texas Agricultural Extension Service, advises applying fungicides now, if pecan scab is a problem. Continue applications as long as scattered showers prevail. Benlate and Du-Ter are the two more effective materials. Cyprex is still used due to lower price but is not as effective.

In the case of native pecans, Clayton suggests applying a fungicide now, again in two-three weeks, and during the latter part of July. An earlier application should have already been made on both native and budded pecans.

Miscellaneous

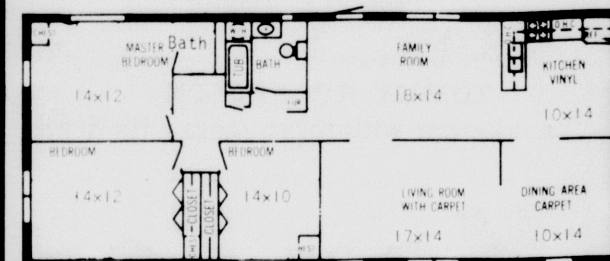

THE HAMLIN JAYCEES meet Wednesday 8 p.m., at the Jaycee Building.

RENT the Jaycee Community Building for parties, family reunions and special occasions. Call Jerry Smith 576-3638.

How much material to apply is a common question, notes Clayton. A general guideline for homeowners is to apply 1/2 to 1 gallon of spray mix per foot of tree height. For large orchards, a spraying should be based on tree spacing and heights, adds Clayton.

Weekend events should be reported to the Herald by noon Monday.

REDDY'S HELPFUL FREEZER TIPS

LOCK IN FLAVOR: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

LABEL PACKAGES: Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

TAKE ADVANTAGE OF SALES: Avoid overstocking with commercially frozen food that's always available; use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

Local Troop Takes Top Honors At Camp

Hamlin Boy Scout Troop No. 143 was named Troop of the Week by the camp staff at the opening week of summer camps at Camp Tonkawa, near Buffalo Gap. They took the first place honors over eight troops from Abilene and two troops from Sweetwater.

In order to win the top spot, the Hamlin Scouts won several competitions against the other troops. Hamlin won first place in the obstacle course with a time of 9:35. Competing for Hamlin in this event were Mitch Lawlis, Robbey Pritchard, Steve Campbell, Neal Baker, Russell Cary, Johnny Cook, Gordon Roberts and Mike Davis. The second best time was 10:20.

Hamlin also won the ping pong tournament with Steve Campbell and Russell Cary taking the honors.

Hamlin also won the Golden Stake Award for camp inspection.

The awards were presented Friday night after the flag ceremony. Joe Bob Carter accepted the Troop of the Week Award for the troop. Gordon Roberts was named

Rifleman of the Week for shooting 25 out of 25 skeet. Russell Cary was Archer of the Week with a total of 30 points. Mike Harper placed second in the basketweaving contest.

The troop members beat their last year's record of 50 merit badges, skill awards and rank. This year they earned a total of 75 individual awards. The Scouts received their awards during supper at their campsite Friday

evening when they were joined by their parents who brought picnic suppers.

Troop committee persons Mary Hawkins, Byron Swank and J. O. Murphree handed out the awards. The three were also honored when Scoutmaster Samuel C. Ferguson presented Mrs. Hawkins an emblem and Swank and Murphree 10-year pins for their faithful service to the Hamlin troop. Four Scouts passing rank

at camp were Billy Bond, Mike Harper and Robbey Pritchard, tenderfoot; and Mitch Lawlis, second class.

Tapped out for the Order of the Arrow were Britt Cary and Steve Campbell during the Friday night ceremony. The OA is an honor campers society.

Russell Cary, an OA member from Hamlin, made the OA dance team and performed Friday night. The OA Indian dance team will perform every Friday night during the coming weeks of camp.

Other Scoutmasters taking part in the camp were Jerry Gooch, Steve Carriker and Davis Weaver, assistant Scoutmaster.

Staff members at Camp Tonkawa serving this year from Hamlin are Britt Cary, Wendell Roberts and Tim Hawkins.

NEWS FROM . . .

McCaulley

By Mrs. Fred Kemp

Mrs. Maude Barton has returned home after visiting with her son Marnie Ray Barton and family of Lubbock.

Mrs. Clyde Minshew attended Memorial Services for Lester Minshew in Duncanville this weekend. Lester is Clyde's brother.

Just about everyone in the community attended the pink and blue shower given in the home of Mrs. Marion Reed honoring Mrs. Rickey Jeffrey Saturday afternoon.

James and Shiela Jeffrey, son and daughter of Mr. and Mrs. Jerry Jeffrey returned Saturday afternoon after attending the 4-H Teen Lab at 4-H Center in Brownwood last week.

Mr. and Mrs. James Smart Jr., Tiny Ann and Kenny are "houses hopping" in Aspermont. James has been made manager of the Highway Department office there and is to assume duties July 1. Here's hoping people in Aspermont realize how much we are giving up and how much they are gaining. James has resigned as secretary of the school board and our football team surely needs Kenny. We despair to think of losing Tiny Ann and Elouise who are always so helpful in community activities. Tiny Ann is giving Mrs. Sara Stevenson some extra days off by filling in at

the school office this summer.

Mrs. Pauline Morris and son, Bobby, are home after spending some time visiting Mr. and Mrs. Doug Rogers and family of Pampa. Bobby will go to Dallas this weekend and fly to Charleston, S. C., and then on to Frankfurt, Germany. He is with the U.S. Army and will spend two years there.

Mrs. Jim Dixon and daughters, Vivian and Anita, drove to Floydada Friday to visit Mrs. Dixon's mother, Mrs. J. P. Moss.

Jeffrey Robertson son of Mr. and Mrs. Billy Joe Robertson, of Weinert spent the week with grandparents, Mr. and Mrs. Avis Jeffrey.

Mr. and Mrs. Kenneth Ferguson and son Chris of Muleshoe were luncheon guests in the home of Mr. and Mrs. Charles Ferguson Sunday. Later in the afternoon Mr. and Mrs. W. J. Kemp of Hamlin visited the Fergusons.

Mrs. Ina Pearl Bailey of Kermit and daughter Rhonda visited Ms. Velma Wishert Sunday.

Mr. and Mrs. Raymond Kemp of Roby visited Mr. and Mrs. Fred Kemp last week.

Mrs. Don Alexander and daughters of Clyde visited Billy Young and daughter Carla and Mr. and Mrs. Gene Stevenson and family early last week.

The Class of '56 are having a class reunion at the McCaulley School July 3. Just can't believe these exes have children graduating. At least one couple has, Mr. and Mrs. Don Alexander, whose daughter Gretchen graduated with honors from a high school in Houston.

Randy Williams is back after serving basic training with the National Guard and may be described as "slim and trim." His brother Ronnie will begin his military training in the Navy in about two weeks. Randy and Ronnie are the sons of Mr. and Mrs. Roy Williams. Our appreciation is extended to these boys and girls who volunteer to serve their country. Others from our community serving now are Philip Cleveland, Johnnie and Alex Perales, Glen Dowell, Teddy Current, Jackie Kerns and Bobby Morris.

Avoca High School Sets Homecoming

Avoca High School will hold its 1976 Homecoming July 3 at the Lueders-Avoca High School building in Avoca.

Visiting, a memorial service, a short service and singing will begin at 1 p.m. Refreshments will be served and women are asked to bring cookies.

Information on registration may be obtained from Wilburn Jensen, president; H. H. White, R. T. Taylor, John Crawford all of Avoca, Mrs. Margie Bell of Haskell, Mrs. Ita E. Nole of Big Spring, hosts and hostesses.

FFA Meeting

An FFA Meeting will be held Friday evening at 7:30 at the FFA building, according to Milburn Wink, chapter advisor. Mark Carter and Guy Turner will talk about their trip to Washington, D. C. and the Leadership Conference they attended. They will also show slides and film of the trip.

All members are urged to attend.

HOSPITAL PATIENTS

In hospital Wednesday:

Shirley Whitley
Juanita Bell
Harry Bickel
Myrtle Neal
Helen Helms
Frank Matecha
Dismissed June 16-22:
Melba Bailey
Harold Bonner
Edwin Scott
Carl Back
Ray Ulmer
Delores Zapata
Ruby Killion, transferred to Hendricks
Bettye Lawlis
Ruth Maynard
Fay Crow
W. E. Newsom, transferred to Hendrick
Bill Davis
Vera Shipman
Sammy Blake

Mrs. Gene Scott Retires After 19 Years At Hospital

Mrs. Gene (Mae) Scott, food service supervisor at Hamlin Memorial Hospital for the past 19 years, has retired, effective, June 15.

The position is being filled by Stella Peeke, formerly of Lubbock.

Mrs. Scott's husband is a retired county employee.

Bobbie Kirby On Spring Dean's List

Bobbie Kirby, daughter of Mr. and Mrs. Robert Kirby of McCaulley has been named to the Spring 1976 Dean's List at McMurry College, Abilene.

The Dean's List is the academic honor roll made up each semester of those students who, while carrying a minimum of 12 semester hours, achieve a grade point average of 3.5 or above.

Bobbie is a 1968 graduate of McCaulley High School and an elementary education major at McMurry.

Byron Arrington of Seattle, Wash., was a weekend visitor in the home of his sister, Artie Huling, and visited with his mother, Mary Arrington, at Holiday Lodge. Other visitors were Mr. and Mrs. Sandy Sanders of Hobbs, N. M., and Mr. and Mrs. Douglas Eaton of Noble, Okla.

AFRAID YOU ARE GOING DEAF?

A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given free to anyone answering this advertisement.

Send for this non-operating model to see how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Beltone, 1333 No. 2nd St., Abilene, Texas 79601 or call collect 1-915-5100.

Agent Urges Control Of Overwintered Insects

One or two applications of insecticides for control of overwintered boll weevils, flea hoppers, and thrips should pay good dividends where damaging infestation of these insects are found, says Jones County Extension Agent, Kirby Clayton.

Clayton recommends that the insecticide be applied 40-50 days after cotton emerges and before one-third grown squares to prevent egg laying. If a second ap-

plication is needed, it should be applied 7-10 days later.

However, the agent cautions that under some conditions, early season poisoning kills beneficial insects and can result in a bollworm build up which is most difficult to control. Poisoning for early season insects after July 10-15 is treading on dangerous ground as far as a bollworm buildup is concerned.

The agent suggested that farmers stay out of the cottonfield with a poison machine after this date.

For further information on early season insect control contact your county Extension agent.

John Howard III On Honor Roll

COLLEGE STATION—John V. Howard III of Hamlin has earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period. "Distinguished Student" ranking is limited to 10 per cent of Texas A&M's undergraduate enrollment.

Howard, son of Mr. and Mrs. John V. Howard Jr., 146 S. W. Ave. C, is an agricultural economics major.

The Knox County playdays opened the 1976 season with events Saturday night in the Munday arena.

Attend Convention

Mr. and Mrs. Charles W. Wesbrooks were among the more than 15,000 Rotarians and guests from nearly 100 countries who attended the 67th annual Convention of Rotary International from June 13-17 in New Orleans.

visited Maker's Mark Distillery at Loretto, Ky. Then they visited her father, Clyde Ingram in Lepsic, Ind., and Mr. Johnson's sister in Mitchell, Ind. On their return route they stopped at the Arch in St. Louis, Mo., and the Outpost at Silver Dollar City, Mo.

Mr. and Mrs. Vernon Johnson and daughter, Melinda of Hamlin and their son, John Mark of Waxahachie, left June 12 and toured Lincoln's boyhood home in Hodginsville, Ky. and Lincoln Memorial in Bartstown, Ky. They also

Mr. and Mrs. Eugene Baker and Neal visited with a son and family, Mr. and Mrs. Steve Baker, in Fort Worth over the weekend. They also visited Mr. Baker brother and family Mr. and Mrs. Stanley Baker, Cindy and Angie in Euless.

Zebco 33

18⁹⁵

ZEBCO 33

Proudly owned by more fishermen than any other reel! Precision, oil-retaining, hardened metal gears.

NEW ZEBCO ONE

Zebco's finest closed-face spin-cast reel, for the ultimate fishing experience! Stainless steel ball bearings provide maximum smoothness and years of reliable service. Bronze drive and stainless worm gears. Super-fast 4:1 retrieve ratio gulps up to 22 inches of line with one turn of the handle.
